

# Poultry Periodicals, Books, and Flyers Donated to Cornell University by S. Robert Powell in 2009, 2013, and 2022

## 2009

On July 28, 2009, Powell donated the originals of 14 rolls of 35-millimeter silver archival microfilm of 721 issues of *Poultry Press* for the period 1943-2000 to Cornell University, Ithaca, NY. At the same time, he turned over to Cornell University the paper originals of those 721 issues of *Poultry Press*. (A copy of those 14 rolls of microfilm was also given by Powell to the National Agricultural Library in Beltsville, MD.)

Many of the issues from the period 1943-1949 are missing (possibly they were not published during the World War II period?). Fifty-three of the issues from that 7-year period, however, are included. For the 50-year period, 1950-2000, however, only 14 issues are missing.

One or more issues per month of *Poultry Press* were published in the period 1943--July 1955. Since August 1955, *Poultry Press* has been published once a month. Here is a list of the specific issues of *Poultry Press* on 35-millimeter microfilm at the National Agricultural Library and at Cornell University:

Many of the issues from the period 1943-1949 are missing. Fifty-three of the issues from that 7-year period, however, are included. For the 50-year period, 1950-2000, only 14 issues are missing.

In the period 1943-2000, *Poultry Press* was printed in five different formats:

Volume XXIX, No. 25 to Volume XXXV, No. 14, 18" x 24"  
Volume XXXV, No. 16 to Volume 50, No. 5, 11" x 15"  
Volume 50, No. 6 to Volume 52, No. 10, 11 1/2" x 16"  
Volume 52, No. 11 to Volume 60, No. 2, 11 1/2" x 17"  
Volume 60, No. 3 to Volume 60, No. 12, 11 1/2" x 15"  
Volume 61, No. 1 to Volume 86, No. 12, 11 1/2" x 17"

One or more issues per month of *Poultry Press* were published in the period 1943-July 1955. Since August 1955, *Poultry Press* has been published once a month.

These are the 721 issues of *Poultry Press* in question:
